Clothing...

- The number of outfits you will be photographed in depends on which session you choose. You should bring more outfits than needed so the photographer can help you choose which will be best for your session.
 - Bring a jacket or sweater, hats or other accessories to finish off your outfit. Long sleeved tops are suggested for at least one portrait.
 - Have a timeless outfit, that won't make you cringe in twenty years and will make mom happy.
 - Also bring some pieces that show your own unique style – wild, fun or formal. And don't forget your favorite outfit you'd wear any normal day.
- Consider the session you have chosen when picking your outfits (i.e. indoor, black & white, outdoor, etc.)

Details.....

- We suggest that you do not try out a new hair color or haircut right before your session.
- Ladies – touchups may be needed so bring your makeup. Even if you don't wear it on a regular basis, lip-gloss or lipstick does help your portraits.
- Your hands and nails will be seen, so clean and polished will improve your portraits.
